

YEAR FOUR PARENT PAYMENT ARRANGEMENT 2024

November 1, 2023

Dear Parents and Carers,

Heatherhill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Heatherhill's voluntary financial contributions for 2024.

Heatherhill Primary School provides students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Every effort is made to keep the cost of voluntary curriculum contributions to a minimum and affordable for all families.

Nevertheless, the ongoing support of our families ensures that our school can offer our students the best possible education and support.

We want to thank you for all your support, whether through fundraising, voluntary contributions or volunteering your time. This has made a huge difference to our school and the programs we can offer students.

Within our school, this support has allowed us to offer a wide range of subjects and curriculum experiences: enhanced digital learning opportunities and equipment, faster WIFI and internet, employment of a school-based digital technologies technician, purchasing of student furniture, purchasing and maintenance of air conditioning units, building and ground improvements, in addition to the Visual Arts and STEM Programs.

Please see a one-page overview for further information on the Department's Parent Payments Policy.

Do not hesitate to contact the office if you have any questions regarding voluntary parent payments.

Yours sincerely,

Amanda McLean
Principal

Bart Firus
School Council President
