04th July, 2025

From the Principal's Desk

Dear Parents and Carers

100 DAYS OF SCHOOL

On Thursday, July 24, our foundation students will celebrate their 100th day of school. They will participate in various activities focused on the number 100. Achieving 100 days is an important milestone for these students. At Heatherhill Primary School, junior students also join in the celebration with the foundation students. Students are encouraged to dress up as centenarians.

MONASH UNIVERSITY - DOUG ELLIS SWIMMING POOL

From Monday, August 4, to Thursday, August 14, students from foundation to year six will take part in the whole school swimming program. Swimming and water safety are vital life skills that all students should have the chance to learn. By learning to swim confidently, students gain skills that can be enjoyed for fun, fitness, rehabilitation, or competitive sport. Most importantly, they learn a discipline that could save a life, possibly their own.

STAFFING UPDATE

Today, we farewell Ms Danielle O'Farrell, MSB teacher, who is leaving to return to Ireland earlier than originally planned. We thank Ms O'Farrell for her work; she will be sadly missed, and we wish her all the best for the future.

PUPIL FREE DAY

Wednesday, 30 July, is a Pupil Free Day. Teachers will participate in professional learning facilitated by education consultant Anny Lawrence. Students do not attend school on this day. The Pupil Free Day is in the Compass calendar as a reminder for parents and carers.

HOLIDAY BREAK

We wish our students and their families a safe and relaxing break and look forward to the children's return to school on Monday, July 21.

Amanda McLean
Principal
