

MIDDLE SCHOOL PARENT PAYMENT ARRANGEMENT 2026

November 6, 2025

Dear Parents and Carers,

Heatherhill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Heatherhill's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Every effort is made to keep the cost of voluntary curriculum contributions to a minimum and affordable for all families.

Nevertheless, the ongoing support of our families ensures that our school can offer our students the best possible education and support.

We want to thank you for all your support, whether through fundraising, voluntary contributions or volunteering your time. This has made a huge difference to our school and the programs we can offer students.

Within our school, this support has allowed us to offer a wide range of subjects and curriculum experiences: enhanced digital learning opportunities and equipment, faster WIFI and internet, employment of a school-based digital technologies technician, enhanced literacy and numeracy resources, purchasing of student furniture, purchasing and maintenance of air conditioning units, building and ground improvements, in addition to the Visual Arts and STEM Programs.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Do not hesitate to contact the office if you have any questions regarding voluntary parent payments.

Yours sincerely,

Amanda McLean
Principal

Bart Firus
School Council President

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
