Dear Parents and Carers,

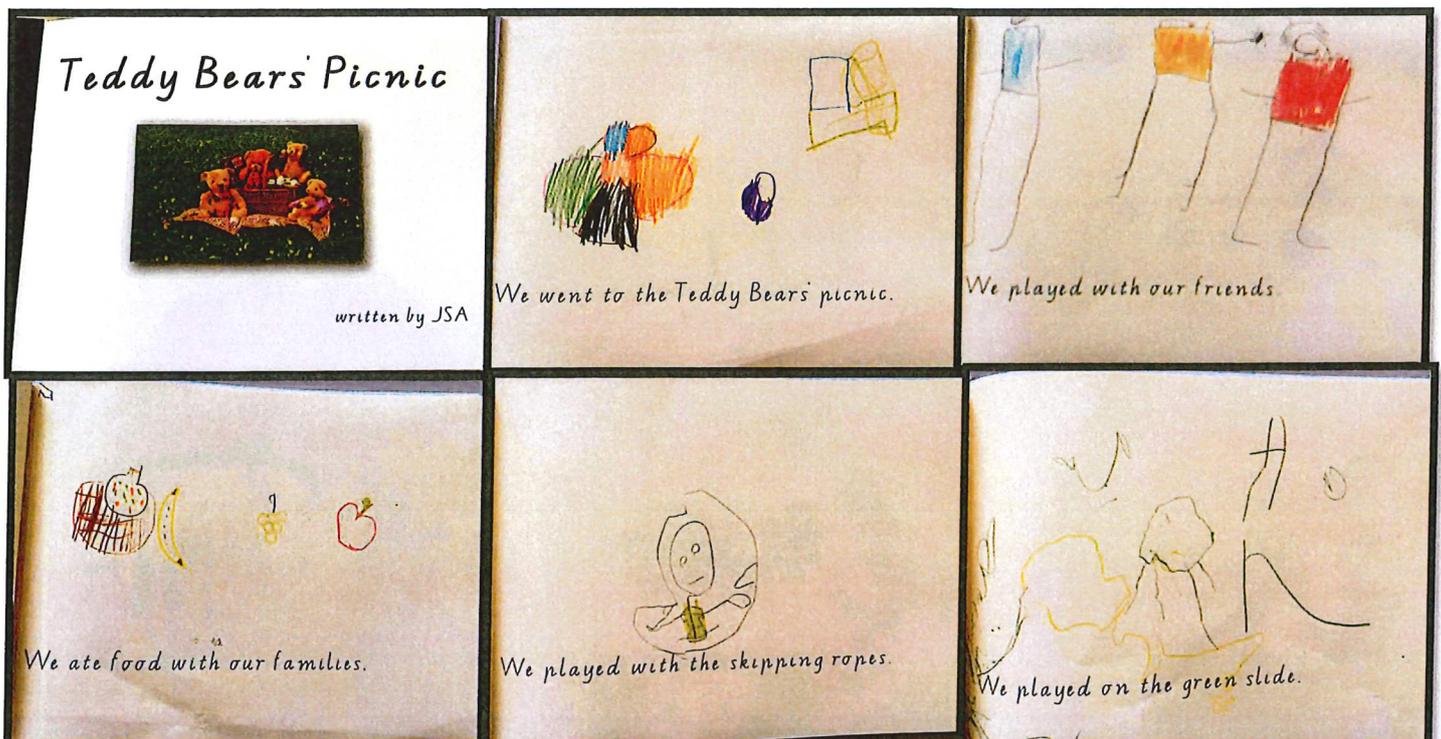

Teddy Bears' Picnic

On Thursday, February 26, the junior school hosted the Teddy Bears' Picnic for students and their families. The event brought smiles and laughter as children played with their favourite teddy bears and toys, joining in the fun.

The afternoon was filled with fun games, delicious picnic treats, and special moments shared between students and their families. The outdoor spaces were transformed into picnic areas, creating a warm and welcoming atmosphere for all who attended.

On Friday 27, reflecting on their experience, the Foundation students collaborated to write a wall story and a class text. They shared their favourite parts of the afternoon, from introducing their teddy bears to their friends to enjoying games and spending time with their families. Their writing captured their excitement of being part of such a special school event.

Thank you to teachers, parents, carers, and students for making the Teddy Bears' Picnic a memorable event for our school community.

Toilet upgrade

After a long wait, the outside toilets are being upgraded. The upgrade is scheduled to take approximately six weeks. In the meantime, students will use the hall toilets during break times and the toilet in building A during Italian and visual arts lessons. Students in buildings C and D will use the toilets in those buildings during class times. Foundation students will use the toilet in building A during class times.

HARMONY DAY

On Wednesday 25th February there was a 'Harmony Day' performance for all the Year 1 to 6 students. The Harmony Day Show was an interactive show 'celebrating diversity, inclusivity, belonging, empathy respect and wellbeing', through fun and hands-on activities. The students experienced music as a universal language and how it connects all cultures. It highlighted how rhythm exists in every society and brings people together. There was storytelling and humour which promoted emotional awareness, resilience, positive mindsets, gratitude, teamwork and kindness.
